## Aries Pest Control, Inc.

SINCE 1988

Aries Pest Control, Inc. is a family owned and operated pest control business. Stephen Marken, an entomologist with over 25 years of experience in the trade, together with his technicians, provide pest control services for commercial and residential properties throughout the Greater Boston area. Aries Pest Control is a recognized leader in the pest control community and has built its reputation on resolving difficult pest problems for its customers.

"We are an Integrated Pest Management (IPM) company certified through the New England Pest Management Association, and subsequently, the use of physical, cultural, exclusion and other non-chemical practices are constantly emphasized, and where possible, are incorporated into all of our pest programs. Simply stated, our goal is to achieve long-term solutions for our customers with minimal pesticide usage." - Stephen Marken

In addition, Stephen has appeared as a consultant on "This Old House" in 1998 at the 57 Russell Avenue, Watertown, Massachusetts property.
